## Our Neighbourhood House...

### Welcomes people

into the community and provides friendship and support

### Responds to community needs

by developing *programs & services* through partnerships with community organizations, residents, and businesses

### Provides information and referral

to our community

### Includes all people

in our community

### Offers a place to drop by

and build connections with neighbours

### Helps people

who face financial and social barriers

### Is a charitable organization

### Is a volunteer-driven organization

## Our Mission

### Our Mission

is to make neighbourhoods better places to live

### Our Goal

is to enable people to enhance their lives and strengthen their communities

### Our Challenge

is to work with communities to develop innovative programs & services that meet the changing needs of a diverse population
