## 2014 Chair's Message

This year has been an exciting year full of changes for Burnaby Neighbourhood House! Not only did we change our name, we opened a much needed location in North Burnaby, our newest daycare, Gilpin, finally opened in May and we just moved into our brand new premises on Beresford Street in South Burnaby and occupy close to 8,000 sq ft!

The Neighbourhood House is a place in the community where people can develop social connections and for many people, create a home away from home. As Burnaby continues to densify, the work of the Neighborhood House will continue to fulfill a very important role of support and connections in our community.

The dream of BNH operating out of our new space has been the culmination of efforts of many supporters and advocates. This would not have been possible without the foresight of the City of Burnaby, Mayor and Council who have delivered on addressing Burnaby's social sustainability strategy. We are so pleased to be working in partnership with our City to address social issues in our community. Many thanks to the developer, Intracorp, who built our amazing building.

BNH has come a long way and it is all due to the hard work put in by Antonia Beck, Executive Director and her team of dedicated staff and volunteers. Many thanks to our hardworking Board of Directors who have provided their expertise, experience and wisdom to guide BNH through this busy year.

Numerous thanks to our 800+ volunteers, 50+ staff, businesses, community partners, elected officials and local residents who have helped us throughout the year to make this a great community to live, work and play.

Thank you all for your support because we could not have done it without you!

Sue Cheung
